Applications are invited from suitably qualified candidates for admission to the following Postgraduate Diplomas, Masters and Doctor of Philosophy Degree Programmes at the University of Agriculture, Abeokuta, Nigeria.

A MASTERS/DOCTORATE DEGREES BY THESIS

1) Master of Agriculture (M. Agric) / Doctor of Philosophy (Ph.D) in:
   - Agric. Econs and Farm Mgt.
   - Agricultural Communication
   - Agric. Ext. & Rural Development
   - Subject Matter Extension
   - Ruminant Production
   - Non-Ruminant Production
   - Livestock Systems
   - Ruminant Animal Nutrition
   - Animal Breeding and Genetics
   - Animal Biotechnology
   - Monogastric Animal Nutrition
   - Animal Physiology
   - Crop Production
   - Plant Breeding
   - Seed Technology
   - Horticulture & Landscape Management
   - Soil Science (Soil Chemistry, Soil Physics, Soil Microbiology, Pedology, Soil Fertility)
   - Weed Science
   - Forage Science
   - Pasture Production & Utilization
   - Range Management
   - Agribusiness Management and Finance
   - Agricultural Development and Policy
   - Agricultural Marketing and Cooperatives
   - Applied Welfare and Consumer Economics
   - Environmental and Resource Economics
   - International Agriculture & Trade
   - Production Economics & Farm Management

2a Master Of Forestry (M.F) / Doctor of Philosophy (Ph.D) in:
   - Forestry Economics and Management
   - Forestry Biometry
   - Forest Ecology and Conservation
   - Agro-Forestry

2b Master of Wood Science (MWS)/ Doctor of Philosophy (Ph.D) F/T:
   - Wood Science & Utilization
   - Forest Operations
   - Pulp and Paper
   - Forest Products

3a Master Of Environmental Management And Protection (MEM)/ Bachelor of Science (B.Sc) in:
   - Agricultural Engineering
   - Mechanical Engineering
   - Electrical Machines and Power Systems

3b Ph.D in Environmental Management

3c Professional Masters in Environmental Management (MEM)

4) Master/Ph.D in Aquaculture and Fisheries (M. A. F/Ph. D):
   - Aquaculture
     - Fishery Management
     - Fish Nutrition
     - Fish Pathology
   - Fisheries Biology
   - Marine Aquaculture
   - Aquaculture Engineering
   - Aquaculture Economics
   - Aquaculture Environment
   - Aquaculture Fish Health
   - Aquaculture Genetics
   - Aquaculture Management
   - Aquaculture Nutrition
   - Aquaculture Pathology
   - Aquaculture Production
   - Aquaculture Technology
   - Aquaculture Zoology

5) Master of Wildlife Management (MWM/Ph.D):
   - Wildlife Mgt.
   - Wildlife Domestication and Production
   - Wildlife Park Planning and Recreation
   - Wildlife Wildlife Management

6) Master of Science (M. Sc./Ph.D) in:
   - Food Quality Control & Assurance
   - Agric. Microbiology & Biotechnology
   - Food Engineering
   - Food Production & Storage Technology
   - Computational Physics
   - Nutrition & Dietetics
   - Clothing & Textile
   - Agrometeorology
   - Water Resources Management
   - Medical Microbiology & Public Health
   - Agric. Microbiology & Biotechnology
   - Environmental Microbiology
   - Zoology (Parasitology)
   - Zoology (Plant Physiology)
   - Zoology (Animal Physiology)
   - Zoology
   - Botany
   - Mathematics (Algebra, Analysis)
   - Botany (Cyto)
   - Industrial Chemistry
   - Analytical Chemistry
   - Physical Chemistry
   - Environmental Physicis
   - Radiation and Health Physics
   - Condensed Matter/Theoretical Physics
   - Instrumentation
   - Solid Earth Physics/Geophysics
   - Biochemistry
   - Organic Chemistry
   - Inorganic Chemistry
   - Industrial Chemistry
   - Physical Chemistry
   - Biochemistry
   - Biochemistry
   - Protein Chemistry and Enzymology
   - Biochemistry (Toxicology, Nutritional Biochemistry, Lipidology)

7) Master of Engineering (M.ENG) / Doctor of Philosophy (Ph.D) in:
   - Civil Engineering with options in:
     - Structural Engineering
     - Highway and Traffic Engineering
     - Water Resources and Environmental Engineering

8) Master of Business Administration (MBA Agribusiness) WEEDKEND Programme

9) MSc/MVSc/Ph.D
   - Veterinary Medicine
   - Veterinary Surgery
   - Veterinary Microbiology
   - Veterinary Parasitology
   - Veterinary Pathology
   - Veterinary Public Health
   - Veterinary Theriogenology

10) Master Of Information And Communication Technology (MICT)
    - Computer Science (Evening/Weekend)
    - Computer Science (Evening/Weekend)
    - Computer Science (Evening/Weekend)
    - Computer Science (Evening/Weekend)

11) Master of Communication
    - Communication Development

12) Postgraduate Diploma Courses

Admission Requirements:

To be eligible for admission to the Postgraduate Diploma Programme, candidates must be first degree holders in a relevant discipline from any recognized University. Holders of HND Upper Credit and above, with a minimum of 4 years post-qualification experience or Lower Credit with a minimum of 5 years post-qualification experience could also apply. Candidates for Masters Degree Programme, must graduate of the University of Agriculture, Abeokuta or any other University recognized by the Senate and have a minimum of Second Class (Lower Division) degree with a Cumulative Grade Point Average of 3.00 on a scale of 5.00 in a relevant field. Candidates for MICT programme should possess a minimum of a Degree in Computer Science or B.Sc. Physical Sciences/Engineering, Food Science and Technology or Allied Disciplines.

To be eligible for admission to the MBA (Agribusiness) degree programme candidate must be a first-degree holder in any discipline or an HND (upper credit) with a Postgraduate Diploma in any discipline.

MEM is a three semester terminal/professional programme designed for captains of industries with at least 5 (five) years of cognate experience.

To be eligible for admission to the Doctor of Philosophy degree programme, candidates must have obtained a Master’s degree from the University or its equivalent from any other University recognized by Senate. Holders of one year degree of Master’s are expected to undergo a conversion examination after the first session before proceeding to a Ph. D programme.

Postgraduate Programmes: Part Time (PT) - 4 Semesters
   - ALL PROGRAMMES: Full time (FT) - 4 Semesters Minimum & Maximum of 8 Semesters
   - Part Time (PT) - 8 Semesters Minimum & Maximum of 12 Semesters

Ph.D (Doctor of Philosophy) Degree Program - Full time (FT) - 6 Semesters
   - Part Time (PT) - 8 Semesters

If the Master’s degree is obtained from University of Agriculture, Abeokuta or its equivalent else where, minimum duration shall be 4 & 6 Semesters for Full Time and Part Time respectively.

Method of Application:

Local Students: The method requires payment of N13,500 to any branch of Zenith Bank (Account: 1130014543) for UNAAB Post Graduate School Admission where you will be given pin to access the online application form.

For International Students: Pay $100 (USD) into domiciliary account: 5070128111, Swift Code: ZEBNGLA. You will be asked to upload the tele copy to access the online application form. Candidates should request their respective institutions to forward transcripts directly to Secretary, Postgraduate School using information below:

To Secretary Postgraduate School
University of Agriculture, Abeokuta, Nigeria.

Closing date for on-line Submission of Application is August 15th 2011. Successful Applicants will be contacted by e-mail or telephone.
